Rules

RULE 26: SCOREKEEPER'S RESPONSIBILITIES

- A. The scorekeeper for each game shall be acceptable to both Captains. Both teams will share in the scoring duties.
- B. The home team provides the scorekeeper for the first set and the away team provides the scorekeeper for the second set. The scorekeeping responsibility alternates for every set thereafter.
- C. Scorekeepers are required to adhere to the following rules of scorekeeping.

THE SCOREKEEPER SHALL NOT

- 1. ...Talk to anyone while keeping score
- 2. ...Move about -- you must stand still
- 3. ...Look at the shooter -- you must stand facing the board
- 4. ...Call out a score of one dart or all three unless asked by the shooter
- 5. ...Tell a shooter what to shoot or what combination to shoot for an out
- 6. ...Change a score if that player has shot again and his second score has been written down
- 7. ...Lean out to see where a dart is or follow the darts with body or head movement
- 8. ...Show any signs of disgust or excitement while scoring
- 9. ...Change the sides of the scoreboard of players in three-leg matches. If you start a team on the left, leave them on the left

THE SCOREKEEPER MAY:

- 1. ...Inform the thrower what has been scored, only if requested by the thrower
 - 2. ...Inform the thrower what is remaining to be scored, only if requested by the thrower
- C. For a dart to score, it must remain independently penetrating the dartboard for five (5) seconds after the player's last dart is thrown.
- D. A dart score will be determined from the side of the wire in which the dart penetrates the board.
- E. The point of the dart must penetrate the dartboard to score. Darts may not be touched prior to the decision of the scorekeeper.
- F. It is the responsibility of each player to verify his/her own score before removing any darts from the board. The score will remain as written if one or more darts are removed.
- G. Errors in the arithmetic must stand unless corrected prior to the next dart being thrown by any partner/player on that team.
- H. If a player throws out of turn, the score will be zero. The scheduled player will forfeit his/her turn and the game will continue. A challenge to an out of turn player must be made before the next player throws. Failure to challenge before the next player throws will allow the score to stand.
